EECS 581: SOFTWARE ENGINEERING 2
PROJECT 2

Sep 25th

TEAM MEETING
- N/A

DAY-BY-DAY ACCOUNTING

Vinayak
- Task Description: No work done
- Hours Spent: N/A
- Notes: N/A (plans to do testing and code review)

Zach
- Task Description: Cleaned up code and finished AI's
- Hours Spent: 4
- Notes: Finished the code for all the difficulties of AI's and made the code easier to understand. Still need to fix some issues with hard difficulty but medium and easy work pretty much perfectly.

Nicholas
- Task Description: No work done
- Hour Spent: N/A
- Notes: N/A (waiting for the final code for commenting)

Kristin
- Task Description: No work done
- Hour Spent: N/A
- Notes: N/A

Lisa
- Task Description: Working on code functionality
- Hour Spent: 1.5
- Notes: Continue working on the documentation of code explaining
